

## C-lessons Task 01

Write a c program which iterates over the the numbers 1 to 100 and prints “Fizz” on the numbers divisible by 3, “Buzz” on the numbers divisible by 5 and “FizzBuzz” on numbers divisible by 3 and 5.

Hint: the Modulo operator % gives you the remainder of a division.  $15 \% 2 == 1$   $15 \% 3 == 0$
